“The WORD of GOD”

This weekend will enable us to explore and understand the importance of Scripture in our lives and we will look at ways in which the Word of God can become an integral part of our Christian walk.

‘Ignorance of Scripture is ignorance of Christ ‘

St Jerome

For us Christians, reading and studying Scripture should become a vital necessity, not an optional luxury. It is there to guide, nourish, sustain, heal and strengthen us.

In Scripture, we encounter Jesus, the Word of God made flesh.

‘Learn the heart of God from the Word of God ‘

Pope St Gregory

The word of God is something alive and active; it cuts like any double-edged sword but more finely: it can slip through the place where the soul is divided from the spirit, or joints from the marrow; it can judge the secret emotions and thoughts. No created thing can hide from him; everything is uncovered and open to the eyes of the one to whom we must give account of ourselves.

Since in Jesus, the Son of God, we have the supreme high priest who has gone through to the highest heaven, we must never let go of the faith that we have professed. For it is not as if we had a high priest who was incapable of feeling our weaknesses with us; but we have one who has been tempted in every way that we are, though he is without sin. Let us be confident, then, in approaching the throne of grace, that we shall have mercy from him and find grace when we are in need of help.

Heb 4:12-13
